 or call the Foundation office.

Charitable No. 119173235 RR0001

# Thanking Our Donors

The Stevenson Memorial Hospital Foundation Donor Recognition Wall was created as a tribute to the generosity of donors, past and present, who have supported Stevenson Memorial Hospital.

Each donor, each gift helps to strengthen and sustain our Hospital and make our communities healthier and safer places to live.

Every contributor has a real role in making Stevenson Memorial Hospital the special place that it is.

The cumulative individual giving levels outlined in this brochure are our way of thanking those donors who have responded in exemplary fashion and have earned special recognition and appreciation for their continued support.

We are indebted also to all the unnamed donors and those who support us indirectly through participation in community-based fund raising events.

We thank all our donors, supporters and volunteers.

## Giving is Cumulative

From 2001 onward, all donations to the Foundation are recognized cumulatively. The Foundation will inform donors when a new giving category has been achieved and arrange appropriate placement on the Donor Recognition Wall. Normally, updates to the Recognition Wall will be implemented annually.

## Giving Categories and Recognition

All categories listed below result in placement on the Donor Recognition Wall, acknowledgement in relevant Foundation publications, our Annual Report, our Foundation Website and our Donor Book unless anonymity has been requested. Donor Wall inductees and those achieving new levels of giving also receive an invitation to an annual recognition celebration. Recognition certificates or plaques suitable for home or office are also provided.

The Foundation may initiate media acknowledgement for donations above the Supporters level and will be responsive to any donor initiated media event consistent with Foundation ethics, principles and guidelines. Additional recognition will be considered for donations at the Builders level or beyond.
